HEY, WE'RE 2 SISTERS. HOW ARE YOU?

We're 2 Sisters Design Ltd, an award winning design studio specialising in unique graphic design pieces, interactive artwork for events, & transforming spaces with custom murals.

Great design creates a feeling of community, & we are known for creating artwork that avoids traditional ways of advertising & looks beautiful at the same time. We have created work for clients such as FatFace, The Hilton Hotel, L'Oreal, Shutterstock, Weleda, & Openreach.

Here's a few of the services we offer:

- Hand Painted Murals
- Live Artwork at Events & Pop-Up Pieces
- Hand-Illustrated Window Artwork & Signage
- Logo Design, Branding & Graphic Design

MURALS THAT MAKE AN IMPACT

Not just improving the wall itself, our hand painted murals are completely tailored to you and your company, with the mission of improving your social media presence whilst making your space unique and beautiful at the same time. Combining our graphic design and social media skills, we create high-impact pieces to increase social media sharing and exposure.

We have worked with such a wide range of industries to create over 100 murals that make a statement and are loved by staff and customers.

Mural packages start from £990 plus VAT and include a step by step design process tailored to you, painting time and materials, and social media footage and promotion across our channels.

LIVE PAINTING & POP UP ARTWORK

We love sharing our passion for design and know just what it takes to make your event one to remember! Whether it be a design which we live paint at an event, a pop-up selfie wall prepared beforehand which you can re-use afterwards, or smaller items that we customise for guests whilst they watch, we would love to bring a splash of colour to your occasion. We have also worked with communities to gather ideas in exciting and interactive ways, and create designs inspired by them. We take our knowledge of graphic design and background in social media to make experiences to remember.

Event packages start from £800 plus VAT and include a step by step design process tailored to you, installation/painting time, and social media footage and promotion across our channels.

CUSTOM WINDOW ARTWORK

Say goodbye to vinyl waste! Our window artwork is not only better for the environment, it is completely customised to your requirements and can easily be removed at the end of the campaign. We work with clients to create beautiful designs that are hand illustrated directly on to the windows, creating a welcoming and authentic window display.

Window artwork packages start from £990 plus VAT and include a step by step design process tailored to you, application time and materials, and social media footage and promotion across our channels.
